

# Longing for Belonging TEDx @jeffgpresents

1. Jeff and Julie's twins had all the physical necessities and all the technology they needed to live, what essential element for their development did "kangaroo care" provide?
2. How is Malsow's Hierarchy of Needs like the actions of the contestants of TV reality show "Survivor"?
3. What is the "popular cultural allusion gap"? How has the explosive growth of new forms of entertainment contributed to this idea that there are fewer references in popular culture we can all relate to? How is the popularity of live sports a reflection of people's desire for a common experience?
4. What other 4 trends does Jeff suggest has contributed to a lack of belonging and growth of loneliness in society?
5. Explain the acronym BeLONG. How does each of the 4 characteristics contribute to building a community where everyone belongs?
6. Who are the "33 week old preemies" in your life? What might you do to help them feel loved, to feel like they belong?
